

## Double column electric floor lift for monitors up to 98"

This fixed on-floor and wall double-column electric lift stand is a perfect solution for 55"-98" displays. It's suitable with screens up to VESA 800x600mm and up to 120kg. Equipped with an easy mount, based on "pull and release" brackets and a wired remote, it is a perfect solution for displays placed in classrooms or conference rooms.

This column is a perfect match for the iiyama TE12, TE14 and TE18 SERIES IFP - Interactive Displays allowing users to control the height from the screen itself. With the option to save 2 height level pre-sets, different users can quickly adjust the screen position to their needs.

\*To mount a 105" display you need the additional mounting kit [MD-ADAP001](#)

### 01 TECHNICAL SPECIFICATION

|                     |                                                                                                                                        |
|---------------------|----------------------------------------------------------------------------------------------------------------------------------------|
| Type                | White, 1.8m                                                                                                                            |
| Number of screens   | 1                                                                                                                                      |
| Screen size         | 55" - 105"                                                                                                                             |
| Height adjustment   | 950mm, Centre of the screen is 812 - 1762mm                                                                                            |
| Max weight capacity | 120kg / monitor                                                                                                                        |
| VESA maximum        | 800 x 600mm                                                                                                                            |
| Extra               | For screens up to 98" (105" needs additional mounting kit - MD-ADAP001), cable management, customized cables (Power, USB, Control pad) |
